MOSQUITOS

Dear Member

24 July 2017

We need your help on this reunion. For the last two reunions we had 19 and 15 members in attendance. I am sure you all know that we have to enter into contractual agreements with the hotel to guarantee a certain number of rooms, our special rates, free parking, WIFI, etc. are all contingent on our fulfilling these agreements.

This year is no exception. Ray Vold and I are hoping to exceed the 15 member count of last year. Our concern right now is we may exceed last year's count and not have rooms available. (This is a very busy hotel, especially during snowbird season.) Our request if you could, to please register as quickly as possible so we can increase the number of rooms required before they fill the hotel.

Your cooperation is greatly appreciated.

Sincerely :

John R. Dichard,
Mosquito President
